# Interreg Atlantic Area Programme - Call 3

- ✓ All projects are expected to contribute to innovative solutions;
- ✓ Through their activities, reach the objectives of the Programme;
- ✓ The approaches can be new, even experimental, since the Programme is particularly suited for testing new methods in a transnational network.

Transnational cooperation not only by bringing together partners from the 4 MS BUT also to work on a shared challenge and achieve innovative solutions that can be applied to the 4 of them, also regionally or locally.

# Tips&hints

Read carefully the AA Programme, as all project proposals are required to identify the priority and specific objective they will be contributing to

Get in touch with the AA Joint Secretariat or National Authorities in your country for more information
